Who We Are

Since 2016, Global Care, LLC. has provided thousands of home visits to hundreds of clients across Massachusetts. We are a Medicare certified, fully-accredited, non-franchised and family owned agency. Our mission is to provide professional and paraprofessional support and services to clients in their homes and assisting them to achieve the highest level of potential in their day-to-day activities.

Exceptional Care and Personalized Service

Global Care, LLC. is committed to providing exceptional patient care through personalized services tailored to each patient's needs. We focus on creating a home care program that takes into consideration all aspects of the patient's life, health and well-being. This allows us to ensure each patient has holistic and optimal care. We include the patient, their family, and healthcare provider in each step of the care planning.

"Great company, wonderful service, and very compassionate people!" - Marc T.

Client-centered Approach

Our client-centered focus to care ensures that each plan of care is customized to meet the specific needs and preferences of our clients. We involve the clients and their families in the care planning process, fostering a collaborative environment that promotes trust and satisfaction.

"Excellent geriatric services for families looking for an in-home caregiver." - Alfonso H.

Highly-Qualified and Compassionate Staff

As a Veteran and Registered Nurse-owned company, Global Care, LLC is consistently focused on the highest quality of care delivered by the most qualified staff. We employ a team of certified or licensed healthcare professionals including registered nurses, licensed therapists and certified aides. Our staff undergoes rigorous background checks, regular trainings and maintains continuous education to stay updated with the latest healthcare practices, ensuring our clients receive the best possible care.

Comprehensive Range of Services

Global Care, LLC offers a comprehensive range of home health services, including skilled nursing, physical therapy, occupational therapy, and personal care assistance. Our multidisciplinary approach ensures that all aspects of our client's health are addressed, promoting overall well-being and recovery. All staff involved in a patient's care meet together on a weekly basis to review the patient's progress, focus on areas of opportunity, and ensure the patient's plan of care supports their overall healthcare needs.

Commitment to Quality and Compliance

Global Care, LLC is proud to be a Medicare-certified, fully-accredited home health agency by the Accreditation Commission for Health Care (ACHC). When it comes to health care, accreditation refers to the official review process that certifies our agency has met official regulatory requirements and standards.

Requirements differ per accreditation organization, but the purpose remains the same: to prove that the healthcare organization's commitment to meeting those standards results in a higher level of performance and a greater focus on patient care. Our company is committed to maintaining the highest standards of quality and compliance. We adhere to all regulatory requirements and strive to exceed industry standards. Our dedication to excellence is not only reflected by our accreditation, but also the numerous positive reviews, accolades and client testimonials we have received.
